

The best Kings teaching, clear progress and real outcomes — from the comfort of your own home

The **Kings IELTS SmartClass** is a focused course delivered by our own IELTS experts to prepare you thoroughly for taking the IELTS Examination. You'll develop your core fluency, receiving expert instruction and preparation for the exam through specialist IELTS-focused lessons. This course requires a minimum level 4 on the Kings Scale (Pre-Intermediate).

Kings has been the official IELTS Testing Centre for the Oxford region since 1996. Since then we have tested around 50,000 students. Our expert instructors will fully prepare you for taking the exam from the comfort of your own home.

Course Content / Curriculum

IELTS SmartClass covers a wide range of areas focusing on the four parts of the IELTS Exam: speaking, reading, writing and listening. Students will be given training in exam techniques and strategies.

Key areas covered include:

- understanding the requirements of each section of the exam
- understanding what the examiner is looking for
- planning and reviewing your answers
- time management
- mock exams: practise completing four parts of the exam under exam conditions

In addition to exam-specific training, the course also helps students to develop their broader communication and English language skills.

English language development

- Communication skills
- Conversational language skills
- Listening and accents
- Reading and interpretation
- Writing and presenting

Linguistic resources

- Building your vocabulary bank
- Fine tuning your pronunciation
- Interpretation of texts
- Grammar and syntax
- Study skills
- Note taking and revision
- Research skills
- Learner autonomy
- Cultural and personal development
- Understanding cultural difference and similarity
- Teamwork and leadership
- Presenting an argument
- Discussion skills

Students can also combine the **IELTS SmartClass** course with additional one-to-one lessons of IELTS preparation (supplement applies). Additional one-to-one lessons should be booked in advance where possible and are subject to availability.

Section 3: The SmartClass Advantage

1. Choose your perfect course

Kings SmartClass courses are designed for specialist outcomes. A range of courses suits different needs:

- [IELTS SmartClass →](#)
- [TOEFL SmartClass →](#)
- [Essential English SmartClass →](#)

2. Live learning experience

SmartClass uses Microsoft Teams to make learning come alive.

- Interact with teacher and classmates in real time
- Live digital whiteboard
- Share screens, files, video and chat
- Break out into smaller groups
- Students also have access to a huge range of learning resources including video, audio and text-based materials.

3. Live teacher contact time

At the heart of every **SmartClass** course is direct live contact time with our expert Kings teachers. Students have **12.5 hours** per week of live interaction with their teacher.

Classes of between **4 – 8 students** mean lots of personalised teacher contact.

Optional **1-2-1 lessons** can also be added. Prices on request and subject to availability.

4. Lessons to suit different time zones

Students can choose lessons delivered according to their own time zone.

This can be requested when booking.

5. Friends from around the world

With **SmartClass** students can share learning with new friends from all over the world. They can interact with their new friends in class, out of class — and stay friends after their course has finished.

6. Real outcomes

Progress is tracked through regular assessment of class participation, tests and assignments. Every student completing the full course receives a Kings Certificate of Completion.

Students preparing for IELTS or TOEFL will be fully prepared to maximise their test scores.

Kings student

"May I postpone my vacation? I do not want to stop my online classes. The IELTS teacher is very excellent, and she is also the IELTS marking teacher. In this afternoon class, the teacher's lecture caught our interest and made everyone enjoy it."

Xingyan Cai
from China

Kings teacher

"**SmartClass** gives the chance for some individual attention that sometimes gets missed in normal lessons. The different environment...works really well with smaller groups. It's more of a relaxed atmosphere which may suit some students."

Nick Davids
Assistant Director of Studies
Kings Oxford

Section 4: Practical Information

Technical requirements

It's easy to get started with **SmartClass**. For the most immersive experience we recommend a modern laptop or PC. But students can also use a smart phone.

Basic requirements

- Laptop computer/phone/tablet
- Stable internet connection
- Microsoft Teams download
